ANNOUNCEMENT

ISSUE OF SET OF CYPRUS EURO COINS, MINT YEAR 2024

The Central Bank of Cyprus (CBC) announces the issue of the set of Cyprus euro coins with mint year 2024, in brilliant uncirculated condition.

This is the third and final set of Cyprus euro coin sets which are dedicated to the folk tradition of Cyprus. The set presents some of the traditional professions of Cyprus which used to flourish but now tend to disappear mainly due to technological advancement. Pottery, basket weaving, silversmithing and Lefkaritiko embroidery are considered to be the most important traditional professions.

The first set, which was issued in 2022, was dedicated to the traditional costumes of Cyprus. The second set, which was issued in 2023, was dedicated to the traditional musical instruments of Cyprus.

The issue is limited to 5.000 sets which will be offered for sale in Cyprus and abroad at the price of €25 per set.

Further information about the series of Cyprus euro coin sets can be found in the link below:
