

26 June 2025: The Central Bank of Cyprus (CBC) leaves the countercyclical buffer rate unchanged at 1,5%, with effect as from 14 January 2026

The CBC, in accordance with the provisions of the *Macroprudential Oversight of Institutions Laws of 2015 to 2022*, deemed appropriate to maintain the CCyB rate at 1,5%, which is the rate adopted as per the decision of the CBC announced on 14 January 2025. The said rate will be effective as from 14 January 2026.

The summary table of the quantitative indicators used by the CBC in its relevant quantitative analysis, including the credit-to-GDP ratio and its deviation from the long-term trend (Credit-to-GDP gap), is set out in this [file](#).

Additional information on the CCyB, which has been set on a quarterly basis, effective from 1 January 2016, as well as on the buffer guide, is provided in this [file](#).
